

## WOODCHOPPERS CLUB

We had our May Meeting on the 12<sup>th</sup>. Our next scheduled meeting is on the second Saturday in October.

At our meeting we discussed the size and cost of a vacuum system for equipment in the Shop. A motion passed to spend \$700 for a complete operational vacuum system. This system is not expected to attach to every tool. Harold Donaldson is investigating units available through social media. Jay Blair will ask locally.

We will update our inventory list of equipment.

After the meeting the floor was marked for safety with caution tape at the power box.

As always use safety equipment when using any power tool. Members have use of the Shop 24 hours a day, 7 days a week. 2018 Memberships can be obtained by adult resident owners in the Bayshore Gardens District or after our meetings. Please read the club's bylaws for the membership/shop requirements. Membership fees are \$20 for the year.

As always, Shop users are required to sign in at the door and clean up after using the shop. This includes using the tool's dust collection bins/boxes and emptying them when they are full. Use the vacuum to remove all of the dust.

If there is any problem with a tool, please notify an officer and leave a note. Club Officer's numbers are listed on the front window.

We are beginning our 'summer break' now. Any special meeting will be posted in the shop and noticed by mail to members 2 weeks prior to the event.

See you Saturday, October 13 at 10 AM in the Shop. Mark your calendars.
