Don't miss our upcoming breakfast, Saturday February 10th! They are always held on the second Saturday of the month in the Recreation Hall from 9 AM to 11 AM. Breakfast is free to members of the Homeowners Association and only \$5.00 for all others. If you haven't signed up or renewed your Homeowners Membership it is only \$10 a year per family. I would like to thank our volunteers Marlene, Garth, and Gwen who help prepare, serve, and clean up. Without them, there would not be a Saturday Morning Breakfast!

Speaking of volunteers, the Homeowners Association and Neighborhood Watch need volunteers and leaders. These clubs have a lot to offer to the community, but we need your help to make these things possible. Please consider donating a few hours of your time to help keep these long-standing clubs around or we might go the way of the 1951 Studebaker.

Remember we are all in this together! If you See Something, Say Something!! For emergencies call 911 or Manatee County Sheriff Office Non-Emergency Line at 941-747-3011 Ext: 2260 or call Dan Rawlinson who is available anytime at 941-755-9388.

CERT BASIC TRAINING CERTIFICATION

COURSE SCHEDULED in Bayshore Gardens in February. The dates are Feb 21st, 22nd, 23rd, 26th, 28th, and 29th. The classes are scheduled from 10 am- 2 pm.

Hurricane season starts soon, and we need more trained volunteers for Bayshore Gardens. CERT volunteers are trained in first aid, search and rescue, fire, and safety. CERT operates under the sponsorship of Manatee County, Homeland Security, and FEMA. We are required to have the approved training to participate in the program. The commitment is for about 24 hours of classroom instruction. The classes are broken down into 4 hour segments.

We are also offering HAM radio licensing classes mid to late February. If you are interested, please reply to information above. You do not need CERT certification to take this class.

CERT is a self-activating arm of Manatee County disaster response. We live in the community and we know the community. We report to Manatee County Emergency Management by cell phone, or HAM radios to get the help we need in a disaster.

The real problem in a hurricane is the loss of cell towers and power. CERT is able to communicate to request help even if no power of cell towers. We can get help for the community.

Bayshore Gardens is currently paired with Trailer Estates until we can get enough members trained to cover our District. The need in Bayshore is great. Once trained the time spent with CERT is minimal. We meet once a month, (not mandatory to attend) and hold drills to be better prepared for an emergency. The drills last less than an hour and are only held a couple of times a year. (Attendance not mandatory).

The Command Center for our CERT is currently in Trailer Estates, Activity building (Pool) use north door for entrance in an emergency. We are there to help but would like to have the same Command Center for Bayshore Gardens when we have enough volunteers certified.

If you wish to serve your community, please email or call the number/email address above and request an application.

We are providing some resources, for your convenience, to learn more about the program.
