The Bayshore Gardens

District Welcomes You

Bayshore Gardens is a community of approximately 1406 single family homes located in southern portion of Manatee County along Sarasota Bay. In 1979, the Florida Legislature established Bayshore Gardens as an independent special taxing district. Special taxing Districts are special purpose governmental units that exist separately from local governments and are formed to perform a single function. Each resident of the District pays an annual assessment within their real estate taxes which funds the operational needs of the District. This annual fee is currently \$427. We are not an HOA, although we have a voluntary Club called the HOA which a resident may join for an annual fee of \$10.

Residents,

As we continually strive to improve communication and foster greater involvement within our community, the Bayshore Gardens Park and Recreation District Board of Trustees has decided to temporarily suspend all committee meetings due to low attendance, lack of meetings taking place, and recent challenges in communication flow.

We understand how important it is for every resident to have a voice in the decisions that shape our district, and we want to ensure that all of you have the opportunity to contribute. As such, we are extending an open invitation for you to join us at our regularly scheduled Trustee and Work Session meetings. These meetings are a valuable platform for discussing the wide range of issues that impact our district and its future. Your input matters, and we welcome your participation.

Over the next several months, the Board will closely assess the participation levels and communication flow, which will help us determine whether we should reinstate our previous committee structure. In the meantime, we encourage each resident to consider attending our monthly meetings, that are held Wednesdays at 6:00 p.m., where all topics are open for discussion and feedback.

You can find more details about these meetings, including dates and agenda topics, at the following link:

<https://www.bayshoregardens.org/trustee-meetings>

We truly value your engagement and look forward to hearing from you at these sessions. Together, we can continue building a strong and vibrant community.

Sincerely,

The Bayshore Gardens Park and Recreation Board of Trustees
