Bayshore Gardens Park & Recreation District

Board of Trustees Meeting

Wednesday January 27, 2021 @ 7:00 PM

1. Trustees Attending: Barbara Greenberg, Lorna Pierce, Morris Raymer, Dan Rawlinson, Barbara Susdorf, Melanie Woodruff, Terry Zimmerly
Trustees Absent: Steve Watkins

2&3. Preliminaries: The meeting was called to order by Morris Raymer at 7:00 PM. Roll call was taken, and a quorum was established. The Pledge of Allegiance was conducted. Visitors: Alan Riga, Belle Baxter, Mary Lou Smith, Sharon Denson, Jane King, Susan Donaldson, Rose Woodruff, Simone Peterson

4. Approval of Minutes: 12/16/20 BOT Meeting - Motion made by T. Zimmerly to approve, seconded by L. Pierce, minutes approved unanimously.
Minutes of the 1/5/21 Organizational Meeting - Motion made by T. Zimmerly to approve, seconded by B. Susdorf, **minutes approved unanimously.**
Minutes of the 1/13/21 Work Session Meeting - Motion made by M. Woodruff to approve, seconded by L. Pierce, **minutes approved unanimously.**

5. Treasurer's Report: T. Zimmerly reported that we still don't have the auditor's report. Last year it came in on the last week of January. She wants to have a Finance Committee meeting in March. Zimmerly reported one of the issues that Covid has impacted is the Hall Rentals, citing approximately \$20,000 less than we thought. The Marina fees are over the expectations. B. Greenberg expressed some concern about the Treasurer's report. A conversation ensued to try to clarify the budget in front of the Trustees. B. Greenberg was referring to last years budget and the concern over possible discrepancies. She reminded that the people need a good accounting of their money. Zimmerly said that these concerns will be cleared up when the auditor's report comes out. It was suggested by Woodruff and Pierce that Greenberg helped define her concerns with a presentation and participation in the finances portion of the District so that all of

the Trustees understand the budget more completely. **Motion was made by Woodruff to except Treasurer's Report as is, seconded by Pierce, 7 - yes and 1 - no, by Greenberg. Motion Passed**

6. Office Managers Report: Gia reported that our insurance responded to the screen room damage. The deductible is \$75,000 and the damage total was under \$4000. The pool has a leak that needs to be found with a leak detector. Gia called GT Bray to find out who they used for pool repairs since no one wants to work on a large pool. GT Bray gave us the name of a couple of companies and one has called back. Just to locate the leak, the fee is about \$1400. We are waiting on other responses. Duncan and FPL have done what they can for the electric in the Marina and now the County wants an easement to say where the conduit lines are underground. We must have a survey done before the actual lines are run. Gia has asked Duncan what the survey legally will require. The contractor for the bathrooms, the indoor, the ladies' room and the screen room, is ready to begin the work next week. Shell will be put in to cover a trench that the conduit has made across the road. The paint examples for painting the recreation center are on the outside wall of the rec center and they are numbered. Gia will accept the votes, call, email her, or come in. One vote per person. A discussion ensued that brought forward issues about the trim color, and the difference with the proposals. There will be a committee meeting on February 3rd. There was also a concern over how the proposals were handled for the painting. The contract language will be discussed during the Committee meeting.

7. Interview Candidates for Open Board of Trustee Seat and Appointments - One applicant did not attend the meeting after several notices. Belle Baxter is another applicant. **Motion was made to accept Belle as a Trustee for the vacancy in seat 3 by B. Susdorf, T. Zimmerly seconded the motion. Motion was carried unanimously.**

· *House Committee* - Painting of the Building - Details going to Committee. Vote with qualifiers on choosing a contractor to paint the building. **T. Zimmerly made a motion to accept the \$7500 bid with the understanding that all the specifications contained in the contract are met. L. Pierce seconded the motion. 6 - yes and 1- no by Greenberg Motion Passed.**

· *Banner Committee* - Rawlinson will have a Banner Committee meeting to discuss improving circulation on Wednesday the 3rd.

9. Agenda Motion:

· **Zimmerly made a motion to add Grounds by itself, seconded by Pierce, Motion passed unanimously.**

Susdorf will Chair the Grounds Committee, Raymer will Chair the House Committee.

10. Rawlinson brought up his motion about using Zoom and the cost to the District. Discussion ensued and the Zoom idea will be sent to Committee.

11. Towing Contract - Woodruff states that Gia sent a letter to cancel the contract with the towing company. Bringing it to Committee for further discussion. Ramer will send a letter to cancel the contract officially.

12. Additional Items:

· Zimmerly mentions Flood Insurance - it keeps going up about \$4000 a year. **Zimmerly made a motion to drop the Flood Insurance, seconded by Greenberg.** Discussion ensued. FEMA is adjusting the flood plains and the District is primarily off the flood plain when the report comes out in July. The \$24,000 can be put into reserve funds. **Vote was taken 6 - yes, 1 - no by B. Susdorf. Motion Passed.**

· Pierce speaks about the Recreation Committee and her meeting. Talked about sponsoring the swim team. Discussion about signage and dogs without leashes. Simone Peterson introduced herself from the audience. She is a Senior Neighborhood Services Specialist from the County. She said if the dog was on common ground, they had to be on a leash.

We are hoping by August that we can plan a fall season with ballroom dancing, a Neighborhood Watch block party, and Homeowners Association Breakfast. All things to do in this great community.

For now, please continue to social distance and wear your mask. Everyone please be safe, and we will get through this together.

Manatee Matters with Commissioner Misty Servia

Vaccine Privilege is Wrong.

“You can’t trust the government” is a perception that I deal with on a daily basis. It’s a perception that I heard throughout my career as a Planner and I always told citizens that they had the power to drive their community’s priorities and the government was there to help. As a County Commissioner, I find this negative perception is stronger than ever, and I assure those whom I speak with that Manatee County is fully focused on serving our citizens. All citizens. Well, the actions this week have just set us back several giant steps.

By now everyone has heard the latest controversy. Governor DeSantis brought a pop-up vaccine clinic to Lakewood Ranch, which was great news. Despite how some media outlets have portrayed the story, I was grateful he brought extra doses to Manatee; after all, these vaccines are more desirable than front row seats to a Stones concert (okay, that may be a stretch, but you get my point).

The problem was created when Chairman Baugh didn’t honor our randomized waiting pool, where everyone had a fair shake at an appointment. She decided to only allow appointments from two zip codes in her district and disregard the Board’s decision (which she supported) to treat all citizens fairly. Wait! What? For the life of me, I don’t know how she got there and didn’t ask herself if this was a bad move. I can imagine those helping her to create this privileged group warned her of the optics. But, she was happy with and proud of her decision, and even publicly said that if she had it to do over again, she would do it exactly the same way. I believe her, as we learned soon after this news flash that in addition to the special pool, she had also created a VIP list. The list included herself and friends to ensure they were at the front of the line when the clinic opened. Look, the only VIP list we have is the one that includes all citizens 65 years and older who want a vaccine. This is how the Governor prioritized the first round of vaccines for Florida and this is what local governments are required to execute.

How many times do we have to shout that a worldwide pandemic is a public health crisis that should not be politicized? And creating a privileged pool of vaccine recipients and a VIP list is not about republicans and democrats, it’s about what’s right and wrong. These moves were wrong, wrong, wrong.

So there you have it. And this is exactly why people hate politics and don’t trust their government. We are here to provide services and treat everyone the same, and when we don’t, citizens feel disenfranchised. I don’t blame them.

I am someone who stands up for fairness and honesty. And if anyone deserves extra attention, it’s those who are less fortunate, sick, or hurting. The people who others overlook and forget. That is what public service means to me.
