

House and Grounds Committee Meeting Minutes August 27, 2019

Present: Chairman Jim Frost,

Terry Zimmerly, Barbara Sudorf, Dan Rawlinson, John Woodruff, Chad Kerns, Robert Hindle, Barbara Greenberg, Adam Hange, Jenny Smetters, Allen Riga

Begin: 8:30 pm

Colors have been decided for the hall there will be cam lighting and tray ceilings with low lighting that can change colors. The hall will be spray foamed to save on air conditioning.

Storage is still an issue. The first part of the screen room is a replacement but the addition will be on a Referendum in Dec.

We need to make the outside bathrooms ADA compliant, The old plumbing is galvanized pipe so we need to dig it up and replace it or raise the floor level and put the new pipes under it.

Jim would like to put an observation deck over the bathrooms. Should be low cost. We can install a one passenger box for wheelchair usage,

Maybe we should have children paint designs of the pool deck. It may be to hoodie looking.

We need a special trash can by the baby changer.

How does everyone like the new pool sign.

We need new umbrellas.
