**Marina Committee Meeting Minutes**  
**Tuesday; February 1, 2022 @ 7:00PM**

Meeting was called to order at 7:05 PM by Marina Committee Chair Morris Raymer.

**In Attendance:** Committee Members - Morris Raymer (Committee Chair), Adam Hange, Jenny Smetters, and Dockmaster; Jose Alicea Jr. by phone.

**Agenda Items Discussed**

1. **Electrical** - Jose at Duncan said FPL should be here by the end of March to run the lines. A resident in the slips called and is worried that we possibly have too high of electrical currents running through the marina. Discussed possibly hiring an electrolysis to check out the marina for any electrical leaks.
2. **Water Leak in South Marina** - Duncan has been notified of this issue and should be here next week to fix the issue. Adam was concerned about the black top being repaired. Discussed having maintenance purchase “cold pack” black top to repair it.
3. **Additional Items**
  - Jose Dockmaster said slip #10 is vacant but has been assigned and should be rented this week. Jose also stated that we have one (1) open trailer space that we can rent to the next person looking for a just trailer storage.
  - We need to think about renting a lift to replace three (3) lights that are out in the marina. They need to be replaced with LED lights that last longer.
  - Discussed possibly adding handrails to the North side of the marina, from the driveway down to the seawall cap and also adding a handrail up the boat ramp.

Meeting adjourned at 7:38 PM
