**Agenda Items Discussed**

1. **Parking Lot Signs** - Discussion on what signs should say. “Bayshore Gardens District Property No unauthorized property and No overnight parking”
2. **Sign in Marina** - Discussed what signs should say being the houses outside the North marina gate “Overflow Vehicle with Trailer Parking”
3. **Basketball Courts** - Committee Member Suzanna Young stated she is working on an RFP.
4. **Towing Company** - Discussed using the same decals but removing the name so it would just be the number.
5. **Shell for Low Lying Area** - It was discussed that shell is needed for some low-lying areas in the marina and to put shell only the east side of the pool to make it easier for walking and the golfcarts to get through that area.
6. **Additional Items** - Discussed getting quotes for trimming the palm trees. The mangroves were also brought up. They were trimmed back in May, but it would be nice if we could get more cut off as they are getting overgrown.

Meeting adjourned at 7:59 PM
