Attention Bayshore Gardens residents!

Are you interested in lending your ideas and voice to how our assessment dollars are spent? The Long-Term Planning Committee is looking for residents who are interested in assisting with the development of short, medium, and long range project recommendations in the Bayshore Gardens Park and Recreation District.

If you would like to join the Committee, we will be meeting on the first Tuesday of each month at 6pm in the recreation hall. Please feel free to join us or contact Skip Wilhoit (seat03@bayshoregardens.org) for more information.

THANK YOU. MORRIS RAYMER

We would like to give a monumental thank you to Morris Raymer. As a past chairman of the Board of Trustees for all the love and dedication to Bayshore Gardens and the community, it has not gone unnoticed. As a contractor, he was able to for see the pitfalls of the contracts and opportunities.

Confronting the trustee as per the charter he also served as most committee chair. Morris also served as Commodore of the Bayshore Gardens Yacht Club along with his gracious wife, Cindy. Together they hosted outings, dinner parties, and dances among other water activities.

It is time to pass the torch and enjoy the party. Thank you again Morris.

January Fun Facts

January is filled with various celebrations and observances around the world, marking new beginnings and honoring important figures and events.

January is National Blood Donor Month in the United States.

January's calendar pattern is shared with October in non-leap years, meaning their 1st days fall on the same day of the week

The first Super Bowl was held on January 15 1967.

During the ancient Roman era, the inception of January was seen as a bridge between what happened in the past and what the future will bring.

In the darkest days of winter, January was regarded as the best time to reflect and plan for the coming year.

Garnet is the birthstone of January

Carnation is the birth flower of people born in January
