Recreation Committee Minutes  
March 26, 2019  
District Recreation Hall**

The meeting was called to order by Chair Belle Baxter at 7:15

Attending - Committee Members Jim Frost, Kathi Gall, Dan Rawlinson

Picnic - Sharon Denson has offered to be in charge of the kitchen to cook & sell hot dogs & pizza. We are asking 5 Star to provide the pizzas. The committee will buy hot dogs, buns, condiments & drinks. Suggested games are water balloon toss, fill the bucket, corn hole & giant jenga. Games will be available for anyone to play, there will be no prizes. Musicians from the jam session have been invited to "perform". Jim suggested a pizza tasting - ask 5 local pizzarias to provide bite-sized pieces of pizza for picnickers to taste and vote "Best Pizza in Baysh] Gardens. If this is successful we could add a different kind of food each year & maybe the picnic could evolve into "A Taste of Bayshore Gardens" event.

Painting class - May 2 at 7 pm. Residents will be charged \$25, non-residents \$35. Registration is required & folks can contact Belle at her BOT email.

Pickle Ball - will be played on the shuffleboard court. Belle will ask Jodie to order a deck box & combination lock. Equipment will be locked in the box with instructions on the lid and a contact if items are missing. Residents wishing to play should call the office for the combination.
