

**Bayshore Gardens Park & Recreation District
Long Term Planning Committee Meeting Minutes
Tuesday; July 02, 2024 @ 6:00 P.M.**

Meeting was called to order at 6:00 PM by House & Grounds Committee Chair Skip Wilhoit

In Attending: In attendance: Skip Wilhoit, Sharon Denson, and Maureen Herrick

Quorum established.

Agenda Items Discussed

Community Survey

- Skip opened the meeting by showing the Committee the first results of the survey. There were already several dozen survey results, and the online system appeared to be working well. The QR code was tested in the meeting and took Committee members straight to the survey site.
- Skip went over each question, showing Committee members how each of the responses look in their final format and explained how all addresses can be downloaded onto an Excel spreadsheet, to help remove duplicate or bad addresses from the survey.
- The Committee discussed additional ways the survey could be disseminated. Skip stated he had planned to stand outside Publix with a table that had the QR code and survey link, but unfortunately, they would be closed for the next 18 months. The Committee decided to take a look at the initial survey responses and explore what other additional ways we could publicize the survey in next month's meeting.

Meeting Adjourned at 6:50 PM.
