

Bayshore Gardens Park & Recreation District
Recreation Committee Meeting Minutes
May 4, 2021 @ 8:00PM

The meeting was called to order at 8 pm by Chair Belle Baxter

Brian Murphy and I discussed the volleyball set. Only one set will be ordered because of budget constraints. Gia will only order the volleyball set and the score board as we have boxes of whistles, and balls have been donated.

We hope the first volleyball game will coincide with the kids' pool party. Fliers will be available at the pool to "advertise" drop in Wednesday nights.

It's hoped someone from maintenance will set up on Wednesday afternoons. Volleyball players will take down the set and put all the equipment in the night drop room.

Rose Woodruff joined us and reported she had dominoes & playing cards ready for the first Game Night.

The meeting was adjourned at 8:40 pm
