

**Bayshore Gardens Park & Recreation District
Recreation Committee Minutes
June 25, 2019
District Recreation Hall**

The meeting was called to order at 7:05 by Belle Baxter.

Committee members attending were Belle Baxter & Dan Rawlinson. Also attending was Sharon Denson

Belle left several messages for our contact at the Y, but there was no response; so we will not be partnering with them. This is too bad because we would have been able to have free swim instructors at our pool to give lessons to our residents.

Picnic - Final plans were discussed including parking (Fergus Kenny volunteered to help), location of inflatables, games & musicians, and set up times. Sharon gave us a list of food & pricing. This included everything but the hot dog buns which she will pick up on Friday. This list will be included with all other monies spent for the picnic

The meeting was adjourned at 7:30.
