

Marina Committee Meeting

7/23/19

Attending: Terry Zimmerly Chairman, Jim and Kathy Frost, Barbara Greenberg, Allen Riga, Sharon Densen, John Woodruff, Gwen Norris, Steve Watkins, Adam Hange, Jennifer Smetters, Robert Hindle, Suzanna Young, Dan Rawlinson, and Sandy McCarthy.

Meeting called to order at 7:00 pm

Jim reviewed Marina Plan:

Adam asked about dredging to 6 ft instead of 5 feet. Price for dredging \$30-\$35 per cubic yard.

The survey in the channel will be from the ramp to the first channel markers. Poles will be jetted in 6" into hard pan,

New water and electric on the center pier,. Solar lights from dusk to dawn.

90 days for dredging,

trailer estates isn't paying for half of the dredging of the canal. They may take boats for the three months that our marina will be under construction

Jim is checking the price of floating docks that we may attach to the fishing pier to move some boats.

Dock surface will be composite grey decking, black pole caps and wraps, stainless steel bolts.

Adjourned: 8:39 PM
