It's Fall You All! Visit your improving Bayshore Gardens Beach front park. We have been improving the park with new gates and a soon to be new playground. As of now, the gate is open to drive down to the beach. The playground is under construction and is closed till further notice. The park is open from sunrise to sunset. The new camera system and electrical security locking gate will record not only the vandals, but it will also record cars and license plate numbers. The Manatee County Sheriff's Department may trespass anyone in the park after hours. I know this sounds harsh, but we will stop the costly damage and bring safety back to our beautiful park.
